

— FINDING YOUR SIZE —

MEASURE YOUR GLOVE SIZE:

go round your hand with measuring tape, leaving out the thumb (see drawing).

Close the hand without excessive clenching and take the measurement.

Copy the measurements to the conversion table below.

Recommended size	6	7	8	9	10	11	12
Hand measurement (cm)	14	16	18	21	24	26	28
